SEP 22 1998

CONCORD, N.H.

Mr. Alfred S. Cloues
State Treasurer
State House
Concord, New Hampshire

Dear Mr. Cloues:

Please be advised that I have further considered the matter discussed in my letter to you dated May 18, 1956, concerning the lending of state funds to the Industrial Park Authority.

Such further consideration serves to confirm the views which I discussed in the letter referred to.

In such circumstances I wish formally to advise you that in our opinion funds ought to be paid out by you under the provisions of Laws 1955, c. 254, s. 11, only upon a warrant over the hand of the Governor by and with the consent of the Council in conformity with Article 56, Part Second, of the Constitution.

Very truly yours,

Warren E. Waters
Deputy Attorney General
